Hamburg, 8. April 2019

Dear Members, dear friends,

It is with great sadness that I write to inform you that Peter Kuballa, former FEBIS Vice President and friend of many of us, recently passed away.

Peter joined the Board in 1991 bringing his natural smartness into the discussions and his clear understanding of the drastic changes starting to modify the Information industry horizon. As President I appreciated his expert advice during the four years of his Vice Presidency from 2003 to 2007.

I remember him as an elegant and educated person, very open minded helping us so much with the challenges we faced.

We will keep the fond memory of a gentleman always ready to serve FEBIS

Our thoughts go to his family under such painful circumstances and also to all his friends in Creditreform.

Dear Peter, rest in peace, we will never forget you.

Sincerely yours

Daniel Francis Morin

FEBIS Secretary General
